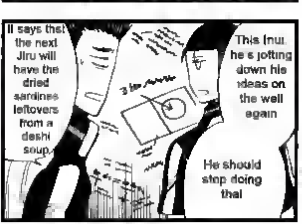
and that happened!! Don't you think that was cruel!?
And I was really looking forward to it!! He just gave away that the doctor was the culprit!!
Oishi~! Yesterday's chapter was awesome nya~!
I would have never imagined that the doctor was the culprit!
You too Oishi~!!
Also recorded it
Eeeeeh I'm sorry Oishi but you have to tell me those kinds of things beforehand!
I I had recorded that dorama but still haven't seen it.

The boy who leapt through time

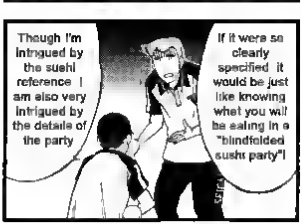


It says that the next Jiru will have the dried sardines leftovers from a dashi soup
This Inui he's jotting down his ideas on the well again
He should stop doing that

Write it in the first place!

The culprit was the doctor lovers were separated by death and there was a surprising twist ending
Even though it was such a sweet and lovely romance series...

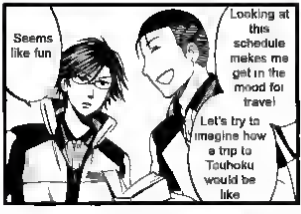
I was fooled by this sense!
Eh? It would be a spoiler if it was specified no...
If the program title said this was a tragic romance series in the first place I wouldn't have watched it



Though I'm intrigued by the sushi reference I am also very intrigued by the details of the party
If it were so clearly specified it would be just like knowing what you will be eating in a "blindfolded sushi party"!

The exact opposite

In the mood for travel



Seems like fun
Looking at this schedule makes me get in the mood for travel
Let's try to imagine how a trip to Touhoku would be like

How dark.
Right. Let's make arrangements first and then take the first departing train
Ummh... Well it's the first train so it's no surprise it's still dark over here

Standpoints from above

I'll prepare some examples then
I can imagine what does "standpoint from above" mean, but I wonder how does it actually feel like

Tezuka-buchou Have you been waking up early in the morning and doing some free practice lately?
Waking up early does good to your body, so you might as well continue with that habit!

In the mood for travel 2

Well, that seems like fun!! Let's go to Hokkaido!
Should we try it out too?
I heard from Oishi that reading the schedule might get you in the mood for travel!

For travel boiled eggs!!
Very well let's take the first parting train then~
Ryu- Senpai! The first train is leaving
Oh... me too, me too!!
So Momo what are you buying in the combini?

Oh shoot, it left already~

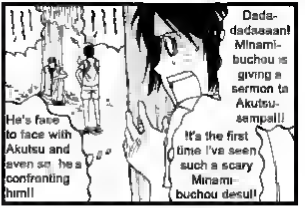
Confronting buchou



Dada-dadaaaan! Minami-buchou is giving a sermon to Akutsu-sempai!!
He's face to face with Akutsu and even so he's confronting him!!

Don't surprise me like that!
